

enable

Enhance self-awareness and balance the **PERSONALIZED LEARNING**
in **ESL prevention** through a **Smart Learning Environment**

Newsletter #3

February 2018

PROGRESS REPORT

O2 –A3 MONITORING AND EVALUATION OF METHODOLOGICAL APPROACH

O3-A1 ANALYSIS AND DESIGN OF THE IT ARCHITECTURE

- In September 2017 the **Progress Report**, providing an account of the implementation of the project, was sent to the Italian National Agency
- **O2A3 R1-R2**: Before the end of the year 2017, Partners provided the monitoring and evaluation plan, the evaluation tools to collect quantitative and qualitative data of the learning activities, along with the Methodological Approach Guidelines
- **O3-A1** Analysis and Design of IT Architecture: the Technical Plan of the Smart Learning Environment is being realized in these first months of 2018

DISSEMINATION AND EXPLOITATION

- **Translations of Enable Second Newsletter** in the languages of the Partners' countries were provided
- **Dissemination Activities** carried on in the four countries of the Project were uploaded on enable Google Drive and on Erasmus Results Platform: press releases, magazine articles, conferences, social pages, presentations, radio interviews

SKYPE MEETINGS-SEMINARS-TRANSNATIONAL MEETINGS

- Partners meet on **Skype** every three months to monitor the progress of the project activities. On the 12th December 2017 the 5th Skype meeting was held at 11:00 a.m. CET and in March there will be the 6th one
- In September 2017 the first Enable **Multiplier Event** on 'The methodological approach of ENABLE Project' and the **Third Transnational Meeting** were organized by *Kaunas Science and Technology Park* in Kaunas, Lithuania. The evaluation report showed that Partners were greatly satisfied with the meeting, another real organizational success
- In a few weeks, on the 22nd and 23rd February 2018, Partners will meet for the **fourth** time, this time in **Rome**
- In July 2018 the **Second Multiplier Event** on Enable Smart Learning Environment and the **Fifth Transnational Meeting** will be held in Bucharest

SEE YOU IN ROME!

22nd 23rd February 2018

NEXT RESULTS
